Commissioner:

The references cited on attached form PTO/SB/08A&B are being called to the attention of the Examiner. Copies of the references are not enclosed. Copies of any office action and responses for related cases are readily available on PAIR such that the Applicants are not including those redundantly. Applicant understands the Examiner can access papers from the prosecution of the cited cases electronically via PALM. However, if the Examiner would like each of the office actions identified or has difficulty obtaining papers from that source he or she are invited to call the undersigned who will be happy to supply them.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the “references cited” on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned’s Deposit Account No. 20-1430.
